

30 Days Wild - MULTILINGUAL!

June is the month for “30 Days Wild”, an encouragement to do something linked to nature every day. We have put together a special, multilingual 30 Days Wild Challenge. How many can you do? If you speak a language other than English, you can use that language to complete the daily challenges. If you don’t already speak another language, you can use a dictionary or ask your languages teacher to help you complete the challenge. We would love to see your efforts – email us at lostworlds@sheffield.ac.uk, or tag us on Twitter @LostWor_l_ds.
